

CAROL LOWERY

CANDIDATE FOR
ELECTION
TEMAGAMI COUNCIL

Growing up, I spent my summers at our family cottage on Lake Temagami. I later moved to Temagami as a year-round resident after graduating from York University (B.A., B.Ed.) in 1978. I was fortunate to be hired as a teacher at Temagami Public School and during my career taught in Haileybury and Cobalt and was also Vice-Principal of the Laura McKenzie Learning Centre on Bear Island. I retired in 2012. With my husband, Biff Lowery, we raised our three children on O'Connor Drive, which is where Biff and I still reside. Temagami is my home and I strongly believe in serving the community in which I live.

PAST:

- Member of Municipality of Temagami Council 2014-2018
- Held the Social Services portfolio and sat on the Board of The District Of Nipissing Social Services Administration Board (DNSSAB)
- Vice-Chair of the Board of Au Chateau
- Vice-Chair of the Temagami Family Health Team
- Was successful in bringing a licensed, subsidized daycare to Temagami

PRESENT:

- Chair of the Temagami Public Library Board
- Member of the Temagami Non-Profit Housing Board, which includes the Ronnoco and the Minawassi
- Executive Member of the Community Schools Alliance
- Member of the board for the Temagami Lakes Association

FUTURE PRIORITIES:

SENIORS

- It is important to keep our seniors close to family and friends. With a new assisted living facility, an increased level of care would enable our seniors to remain in Temagami while, at the same time, provide well-paid jobs in the healthcare sector

TFN/TAA

- Work together with the Temagami First Nation and the Teme-Augama Anishnabai to develop mutually beneficial partnerships

DEVELOPMENT

- Creation of a Community Improvement Plan which will allow us to focus on both community business growth and the re-energizing our downtown
- Use our Asset Management Plan to guide the rebuilding of roads, water and sewer infrastructures, and our recreation facilities/waterfronts

TAXES

- To live within our Municipality's means, providing necessary services (water, sewer, recreation, fire and ambulance) at an affordable cost
- Council's actions must be transparent so taxpayers know where and how their tax dollars are being spent

COMMITTEES

- Return to the committee system as a means of allowing non-elected residents to participate in local government and the organization of community events

We are a community made up of different neighbourhoods that must continue to work together. We must focus on the growth and prosperity of our town, promoting its world-famous surroundings. I believe in the Tenets for Lake Temagami and the values that they represent. I believe that they are as relevant and important today as when the municipality adopted them. I also believe we must have development that will support the village and the townsite. The wilderness and semi-wilderness values of Lake Temagami and surrounding lakes, will help promote economic prosperity.

I have the background, education, motivation, and knowledge of our community to serve as a councillor for the Municipality of Temagami. I recognize the amount of work and the challenges council faces, and I understand the concerns of both the seasonal residents as well as those of us who are lucky enough to live here all year-round. I am ready to make the commitment to do the job and represent all areas of our community. If elected, I will faithfully serve the citizens of the Municipality of Temagami with integrity, strength, confidence, and professionalism.
