Economic-Development Policy for the TLA (2023)

The TLA will apply the following principles to various forms of economic activity to determine their suitability for Association endorsement.

1. Economic activity should be complementary to the “semi-wilderness character” of Lake Temagami and Cross Lake, as set out in the Municipality of Temagami’s Official Plan.

2. The TLA will support economic activity that operates with an environmentally-responsible relationship to the Lake Temagami and Cross Lake ecosystems.

3. The TLA will use “ONE Temagami” guidelines when considering its position with respect to economic activity involving Lake Temagami and Cross Lake.
